We'll create a powerful marketing video to Promote Your Business!

Nationwide Community TV on www.Community.video provides a web and mobile showcase for towns and communities to share news, events, special interest stories, business profiles and promotions with the public, much like having a community television station – Informative video clips are available on the **web** and **mobile** ANYTIME. Featuring *Places to Go – Things to See and Do...*

Nationwide Community TV provides a medium for advertisers to reach their local community and beyond with professionally produced informational **“Spotlight”** clips. With the included Social Media Tools – **Nationwide Community TV** Spotlight Clips provide a special opportunity for local businesses to promote their products and services by harnessing professional video impact effectively on the Web and Mobile. Included Social Media Tools feature one-button post on Facebook, Twitter and Tumblr, Seamless Embed to Client's Website and Email Clip Links to any email address. We'll also help you get it on YouTube.

Additionally, Spotlight Clips can display a “Call-to-Action” button to allow the viewer to sign-up for more information and be contacted by the merchant. Social Media Sharing, Email Capture, Viewer Stats and Google Analytics are also included in Spotlight Packages.

Spotlight Packages include Complete Production of a One to Two Minute Video and Upload to Video Networks with Clip Description, Tags and Embedding Assistance to Merchant's Website.
